

Shops and Spaces to Check Out
 Round and Round ♪ Wow Wow ♪ Recommended spots
 in the Central Park area where you can enjoy some unique experiences

Hiroshima Gate Park

■ Motomachi Skatepark

This special skateboarding area for beginner to intermediate-level skaters is one of the largest in the prefecture. Skaters can enjoy various movable objects such as jump ramps and boxes.

■ Pride of Hiroshima

This special exhibit held during the G7 Summit in Hiroshima has been reorganized for permanent public exhibition. It consists of six rooms where you can experience spaces, videos, and music based on the theme "Hiroshima's path to recovery, the resplendent present, and dreams for the future."

360-Degree Virtual Park

Walk through this virtual park for a 360-degree view of the facilities, plants and trees, and shops in the park. You can also find information not available anywhere else.

Web

Hiroshima Stadium Park

■ Hiroshima Soccer Museum and Official Store

This museum shows you the history and excitement of Hiroshima soccer, and even provides hands-on soccer experiences. The store features not only Hiroshima Sanfrece branded items but also specialty products of Hiroshima.

■ Kiond Hiroshima

This facility features a children's playground where they can play freely on wooden equipment, a library cafe, a fair with wooden stalls to enjoy old-fashioned games, and various other ways for both children and adults to enjoy trees and wood.

■ Bene-Tre Hiroshima

This "space to prepare your mind and body" was created to allow you to spend your daily life as you like. The complex consists of a fitness center, library lounge, and sauna.

■ The BBQ Garden Hiroshima

This shop provides rental barbecue equipment for indoor and outdoor barbecuing in a beautiful location next to the river. You can also order ingredients in order to easily enjoy barbecuing without having to supply anything yourself. (You can also bring your own ingredients and drinks.)

■ Beside Hiroshima by Utsuwa

Enjoy stand-up paddleboarding in the center of Hiroshima City. Boarders are always accompanied by an instructor, making it perfect for beginners to try without worry.

Hiroshima Castle Sannomaru

■ Hiroshima Castle Sharaku

This miniature Japanese archery range, one of only a few in the country, allows you to try Japanese archery (target shooting) on a real traditional "Yaba" style range. It also features lectures by experienced archery experts.

Learn more about Hiroshima!

2 Promenade of Culture

In 1978, this path was set as a walking course on the route heading west on Jonan-dori Avenue from Hiroshima Station through Shukkeien Garden, Hiroshima Prefectural Art Museum, and Hiroshima Castle to Peace Memorial Park. Metal plates engraved with the "Promenade of Culture" are embedded on the path.

4 Wall Art of Underground Passageway

The artists group "OVER ALLs" created wall art along some 70 m of the underground passageway between the Pacela shopping center and the Stadium Park.

6 Cherry Trees along Honkawa River

A great spot for cherry blossom viewing along the river in the spring.

9 Peace Wall

This giant mural, with a width of 8 m 62 cm and height of 2 m, was specially created by Yoichi Takahashi, a writer of the popular manga Captain Tsubasa.

3 Sundial (In Hannover Garden)

Enjoy the leisurely flow of time amid nature

5 Motomachi Poplar Tree

With plans to use it for open-air movie screenings and other events, this poplar tree is a symbol of growing civic activities. Currently the third generation.

7 Home Base and Pitcher's Plate

This monument is embedded in the original locations of the base and plate of the old baseball stadium.

10 Stone Wall of Hiroshima Castle

You can actually see and feel the history of the castle since its construction to present day through the affixed oyster shells and engravings from the Fukushima-Masanori period. Maybe you can find some traces of history on this stone wall!

1 Axis of Peace

This "South-North Axis" that is seen when looking at the Atomic Bomb Dome through the Memorial Cenotaph for the Atomic Bomb Victims is based on a concept of Kenzo Tange, the architect who designed the Memorial Cenotaph and Peace Memorial Park, and his team.
